15'

9:15 Introduction

5' Welcome Speech/Logistics, Jay Mistry, VERMEG

9:20 Welcome Speech

10' An Introduction to Futurefit, Mark Shead, VERMEG

As Regulation continues to evolve so do the RegTech solutions, our Head of Innovation welcomes you and introduces you both to this year's FutureFit event and how Vermeg continues to evolve to ensure our firms are fit for the future.

9:30 General RegTech – Keynote Speech

20' Navigating Regulatory Uncertainty, Deborah Young, RegTech Association

Our keynote speaker, the CEO of The RegTech Association Deborah Young, provides this year's keynote speech on navigating regulatory uncertainty.

9:50 What we know and whats to come

20' Hanbury Hampden-Turner, VERMEG

The Basel reforms continue with Basel 3.1, Vermeg provide a comprehensive overview of what we know so far about the changes and what might be to come, and with these being the first major reforms designed outside of the EU, the nuances of divergence.

15' Oivind Andresen, BDO

With a focus on the Basel Credit Risk changes BDO hone in on real estate with changes to weightings, new percentages and processes for residential and commercial real estate, and changes to the definition of the Loan to Value ratio

15' Enrico, Deloitte

As part of the Basel 3.1 reforms, Market Risk changes embrace some new methods and new structures. What are the implications of having three competing methods, and is the retention of much of the existing approach going to lead to a divide in the market for the future.

Introduction

Basel 3.1

Basel 4 or 3.1

11:00 **Basel 4 Or 3.1 – Is It That Big A Deal?**

30' Whilst the recent changes to Basel III didn't warrant their own roman numeral, we ask our panel of experts for their thoughts on whether this stands true or if we should all just be saying Basel IV?

Panelists

- Hanbury Hampden-Turner, VERMEG **moderating**
- Oivind Andresen, BDO
- Rheta du Preez, Monocle Solutions
- Enrico Messori, Deloitte
- Simon Hills, UK Finance

Strong and Simple

11:30 **Strong And Simple - Is It Strong And Is It Really Simple?**

30' Have we solved the complexity problem? The PRA has introduced its 'strong and simple' initiative seeking to simplify the prudential framework for non-systemic domestic banks and building societies, while maintaining their resilience. But is it strong and is it simple? We ask our panel for their thoughts.

Panelists

- Dr Sian Lewin, RegTech Associates **moderating**
- Nikhil Asthana, Grant Thornton UK LLP
- Vishwas Khanna, Avantage Reply
- Nick Turner, Monzo Bank Ltd

ESG

12:00 **ESG – Let's Play Bingo!**
